A. Overall turnover

1. Total Sales / Receipts (taxed, exempt and out of national scope transactions, according to business branch)

a) Supply and profit margin

1) Supply of inhouse manufactured goods

2) Supply of goods not manufactured inhouse

3) Net profit margin (special arrangement: Art. 56ter-1 and 56ter-2)

b) Supply of services

c) Disposal of tangible and intangible capital assets when those transactions are ancillary transactions

d) Intra-community distance sales of goods and telecommunications services, radio and television broadcasting services as well as electronically supplied services supplied to non-taxable persons in other Member States for which the total annual value does not exceed EUR 10.000 (place of supply fixed by Art. 19quater/1)

e) ²⁰⁶ _____

2. Other assimilated supplies

a) Application of goods for private use or for that of the staff (Art.13(a))

b) Application for the purpose of business of goods produced in the course of the business (Art.13(b))

c) Use of goods considered business assets for purposes other than those of the business (Art.16(a))

d) Supply of services carried out free of charge for purposes other than those of the business (Art.16(b))

VAT No. : LU

Id number :

B. Exemptions and deductible amounts

1. Intra-Community supply
 - a) of goods (Art.43(1)(d) and (f)) to persons identified for VAT purposes in another Member State (MS) (3)
 - b) of new means of transport (Art. 43(1)(e)) to persons not identified for VAT purposes who are established or reside in an other MS
2. Exports (Art. 43(1)(a) and (b))
3. Other exemptions (Art.43 and 60bis)
4. Other exemptions (Art.44 and 56quater)
5. Manufactured tobacco whose VAT was collected at the source or at the exit of the tax warehouse together with excise duties
6. Supplies carried out within the scope of the domestic SME scheme of article 57bis (17)
7. Supplies carried out within the scope of the cross-border SME scheme of article 57quater
8. Supplies carried out within the scope of one of the special schemes of articles 56quinquies, 56sexies and 56septies (One-stop-shop « OSS » and « IOSS »)
9. Transactions carried out (for which the place of supply is) abroad
 - a) Supply, subsequent to intra-Community acquisitions of goods, in the context of triangular transactions, when the customer identified for VAT purposes in the MS of destination of the goods is liable for payment of VAT in that MS (3)
 - b) Supply of goods (other than new means of transport and products subject to exise duty), dispatched or transported by or on behalf of the supplier, carried out to customers not identified for VAT purposes and established or residing in the MS where the dispatch or transport ends, when these supplies are taxable in that MS (distance selling)
 - c) Supply of services, other than exempted from VAT in the customer's MS, to customers identified for VAT purposes in another MS, for which the customer is liable for VAT (3)
 - d) Supply of services to customers identified for VAT purposes in another MS, exempt in the customer's MS
 - e) Other supplies carried out (for which the place of supply is) abroad
10. Inland supplies for which the customer is liable for the payment of VAT

Important comments

1. - The return, duly completed and electronically signed, is to be transmitted electronically to the administration.
 - In case of technical problems in relation to the electronic deposit of the return by eCDF, please contact the technical support eCDF.
 See the contact details on the website www.ecdf.lu under Contact.
 - The business support is provided by the general helpdesk (info@aed.public.lu) respectively by the tax office in charge, which can be determined on the following website: <https://pfi.public.lu>
 - In case of technical problems concerning the various electronic services related to VAT, please contact the heldesk eTVA.
 See the contact details on the website www.etva.lu.
2. - VAT having become chargeable during the tax period stated on page 1 is to be paid to the State before March first of the year following the tax period (declaring person under Annual Plan) respectively before May first of the year following the tax period (declaring person under periodic conditions). To this end, a return is to be submitted by the same date, setting out all the information needed to calculate the tax and the deductions to be made.
 - In case of closing down of business, the statutory deadline for submission of this return and payment of tax is within 2 months following closing down of business.
 - The date of the deposit deadline is available for information only and without guarantee on the first page of the internet site <https://pfi.public.lu>, the official regulations being legally binding.
 - Please clearly indicate your matricule in all of your correspondence and when making payments.
 - For each tax period, a separate return is to be submitted.
 - The annexed forms are to be filled in accurately and filed jointly with the return.
 - The payment of the tax has to be made to the IBAN account: LU35 0019 5655 0668 3000 Code BIC: BCEELULL
 - A surplus of input tax shall be refunded by a transfer to the bank account the declaring person has indicated to the Administration.
3. Amounts entered into fields 013, 018 or 423 match the sums of the corresponding sections of the recapitulative statements submitted for the accounting period.
4. Intra-Community acquisition of goods (Art. 18(1)) and application treated as such (Art. 18bis).
 Supply of goods, made within the territory in the context of triangular transactions and for which the declaring person is liable for payment of VAT.
5. Exclusively VAT actually invoiced; please do not show VAT due in respect of intra-Community acquisitions of goods and or VAT due under the reverse charge.
6. Not including payments on behalf of third parties (e.g. sickness benefits advanced on behalf of the national healthcare system - Caisse Nationale de Santé - and which will be reimbursed by the latter).
7. Including all special taxes (e.g. solidarity tax) charged on salaries and wages.
8. Names and addresses to be specified under F). Deduction of VAT in respect of operating costs can be refused if the supplier's name is not or cannot be indicated.
9. A detailed list of expenses not listed under point (A) of the appendix to the annual return can be joined as 'Appendix to Operational expenditures'; total sums of such an 'Appendix' are to be carried forward to line 43 of point (A).
10. The taxable amount shall be the full cost of providing the services.
11. Only if the person declaring was or is able to reclaim VAT paid or declared in respect of the car's purchase.
12. Does not pertain to goods categorised as capital or operational expenditures.
13. Including electricity, gas, heat and cooling energy supplied by a taxable person not established in Luxembourg, when the person declaring is liable for the payment of VAT under the reverse charge mechanism.
14. Agricultural products respectively stock of goods purchased from a taxable person applying the flat-rate scheme for farmers.
15. Price stated on the tax label less VAT included.
16. Including taxes, duties, levies and other charges, excluding VAT itself, as well as incidental expenses, such as commission, packing, transport and insurance costs, incurred up to the first place of destination within the country. The taxable amount shall also include any of the afore-mentioned incidental expenses resulting from transport to another place of destination within the Community, if that other place is known when the chargeable event occurs (Art. 34).
17. Where during the course of one calendar year, the taxable person has been subject to the standard VAT scheme and to the domestic SME scheme, the taxable person shall indicate in the box 481 the proportion of his turnover that has been generated under the domestic SME scheme.
